

HCC Perspective

Richard Ellis
Assistant Director, Adult Services,

It's about partnership...

- Corporate Area Assessment (CAA)
- Local Area Agreement (LAA)
 - 8 themes
 - Health & Wellbeing Partnership
 - Crime & Disorder Reduction Partnership
- Commissioning = £ + influence

...because it's about Hampshire

- **HCC priorities**
 - Hampshire safer and more secure for all**
 - Maximising wellbeing**
 - Enhancing our quality of place**
- **Substance misuse rising prominence**
- **Hampshire LAA priorities**

LAA priorities

- direct substance misuse priority indicators
 - Drug related offending rate
 - Alcohol related hospital admission
 - Plus contributor to several others
- Alcohol flagship

Independence Wellbeing and Choice

A framework for the modernisation of adult social care;
7 key outcomes identified:

- i) Improved Health
- ii) Improved Quality of Life
- iii) Making a positive contribution
- iv) Exercise of choice and control
- v) Freedom from discrimination or harassment
- vi) Economic Well-being
- vii) Personal Dignity

Putting People First

Transforming adult services

- Evidence based
- System wide
- Partnership with health
- Independent & active citizens
- Prevention, early intervention & recovery

Strategic Review - what I want

- What is the future role of the DAAT?
- Are we all clear how substance misuse services are delivered?
- Are we all getting the best from our investment?
- Agency Synergy or Dissonance?

Strategic Review - what I want 2

- Are we responding to our communities needs & wants?
 - Active citizens, healthy communities
 - Hard to reach & hidden groups
 - Prioritising by need
- Are we getting the balance right between:
 - Prevention/early-intervention & treatment?
 - Drugs & alcohol?

The Challenge

Difficult context

reducing budget Vs increasing expectations

Our aim is to respond by:

- ❖ Being ambitious
- ❖ Being strategic (not reactive)
- ❖ Working in partnership to maximise knowledge and resources
- ❖ Managing change
