Dear Mrs Agombar

Proposal: UPGRADE TO EXISTING WASTEWATER TREATMENT WORKS INCLUDING NEW FERRIC DOSING KIOSK AND EFFLUENT MONITORING KIOSK AT PETERSFIELD WTW, DURFORD ROAD, PETERSFIELD, HANTS, GU31 4EZ
HCC Application - documentation can be viewed at
http://www3.hants.gov.uk/mineralsandwaste/application-details.htm?id=14962
Site: Southern Water Services Ltd, Durford Road, Petersfield, GU31 4EZ

It has been resolved that you be informed that this District Council has NO OBJECTION to the above subject to the following conditions:

1 The development hereby permitted shall be begun **before the expiration of three years** from the date of this planning permission.
Reason - To comply with Section 91 of the Town and Country Planning Act 1990

2 The development hereby permitted shall be carried out in accordance with the following approved plans and particulars:

Application form
Design and access statement
Supporting planning statement
Supporting letter dated 07 February 2012
Site photographs
AB.5500120.0Z0703A - Site location plan
AB.5500120.0Z0704A - Site layout plan
AB.5500120.0Z0705A - 30m3 Ferric dosing kiosk
AB.5500120.0Z0706A - Effluent monitoring kiosk

Reason - To ensure provision of a satisfactory development

Informative Notes to Applicant:

The Council has granted permission because:

The proposal is considered acceptable as it would consist of buildings that would appear appropriate for the site, would not detract from the character and appearance of the area, would accord with the purposes of the SDNP and would be in compliance with the East Hampshire District Local Plan: Second Review.

It is therefore considered that subject to compliance with the attached conditions and taking into account all other material planning considerations, including the provisions of the development plan, the proposal would be acceptable. This also includes a consideration of whether the decision to grant permission is compatible with the Human Rights Act 1998.

Yours faithfully

C. D Murray

Chris Murray
Service Manager Planning Development
