Revised timetable from 1 September 2015

The changes are:

The 1610 journey from Alresford to Basingstoke will no longer call at Upper Wield, Lower Wield and Bradley.

The 1725 journey from Basingstoke to Alresford will be flexibly routed: after leaving Basingstoke it will only stop to drop off passengers who boarded at Basingstoke.

Cango is now Hail and Ride

This means that you don't have to plan your journey in advance and can return on any trip you wish.

Cango will now run to a set route and most of the route will be 'hail and ride' so you don't even have to walk to a bus stop.

The bright yellow Cango buses, with two wheelchair spaces and regular drivers, will stay the same.
