A carshare/taxishare service is similar to a bus service, only it operates using a private hire vehicle or taxi instead of a bus. The services run to a timetable just as a bus would and passengers book themselves a seat to travel. The service is available to anyone living in the area who would like to travel. They cost about the same as a bus service and passengers with an over 60's bus pass may travel for free. For more information contact Hampshire County Council on 0845 603 5633\*.
