What is Cango?

Cango is a bus service that can respond to your needs—the route is not fixed, but is flexible and the bus can travel here and there as needed.

Who can use it?

All the cango bus services are available to any member of the public in the operating area.

Where will it pick me up?

You can get on the bus at either a 'timed' or 'bookable' stopping point. You may also arrange your pick up point at a mutually agreed location.

What is a timed stopping point?

A 'timed' stopping point is where Cango will definitely stop on each journey. 'Timed' stops have green stop signs.

What is a bookable stopping point?

You can get on at a 'bookable' stopping point if you have booked your journey in advance. 'Bookable' stopping points have yellow signs.

How can I make a booking?

Booking Lines are open between 07:00 – 09:00 am Monday to Friday. You simply phone:

**01983 716956**

Can I just turn up?

Only if you are travelling between timed stops, all other journeys must be pre-booked.

How much notice do I need to give?

Bookings can be made days in advance, however bookings can still be made on the day of travel except Saturdays and bookable stops on the 08:47 service from Sway Railway Station into Lymington. Bookable stops for Saturday will need to be booked by Friday, the line is not open on Saturdays.

What happens if I am a passenger who uses a wheelchair?

Cango services are operated with vehicles which are low floor and wheelchair accessible.

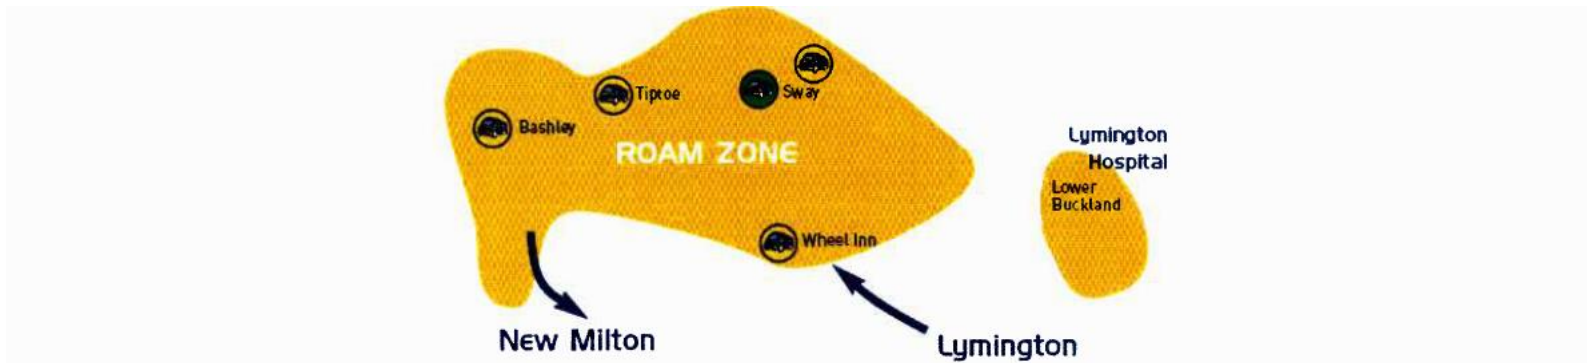

What do I do now?

You need to register by phoning us. On 01983 716956.
