Note:

This version of the booklet has been produced for audiences external to Hampshire County Council.

The difference between internal and external versions is where small numbers are concerned. To prevent the identification of individuals, wherever a cohort contains 5 or fewer pupils the cohort size is shown simply as <5, and the corresponding percentage of total is blanked out. In instances where there is only one ethnic group with fewer than 5 people, the exact number in the next smallest group is also hidden. Wherever showing cohort size as <5 is not sufficient to protect identities, small cohort sizes show as <10.

Summary

There are currently 474 ethnic minority children and young people (C&YP) at schools within Gosport, which represents 4.5% of the district (4.3% last year).

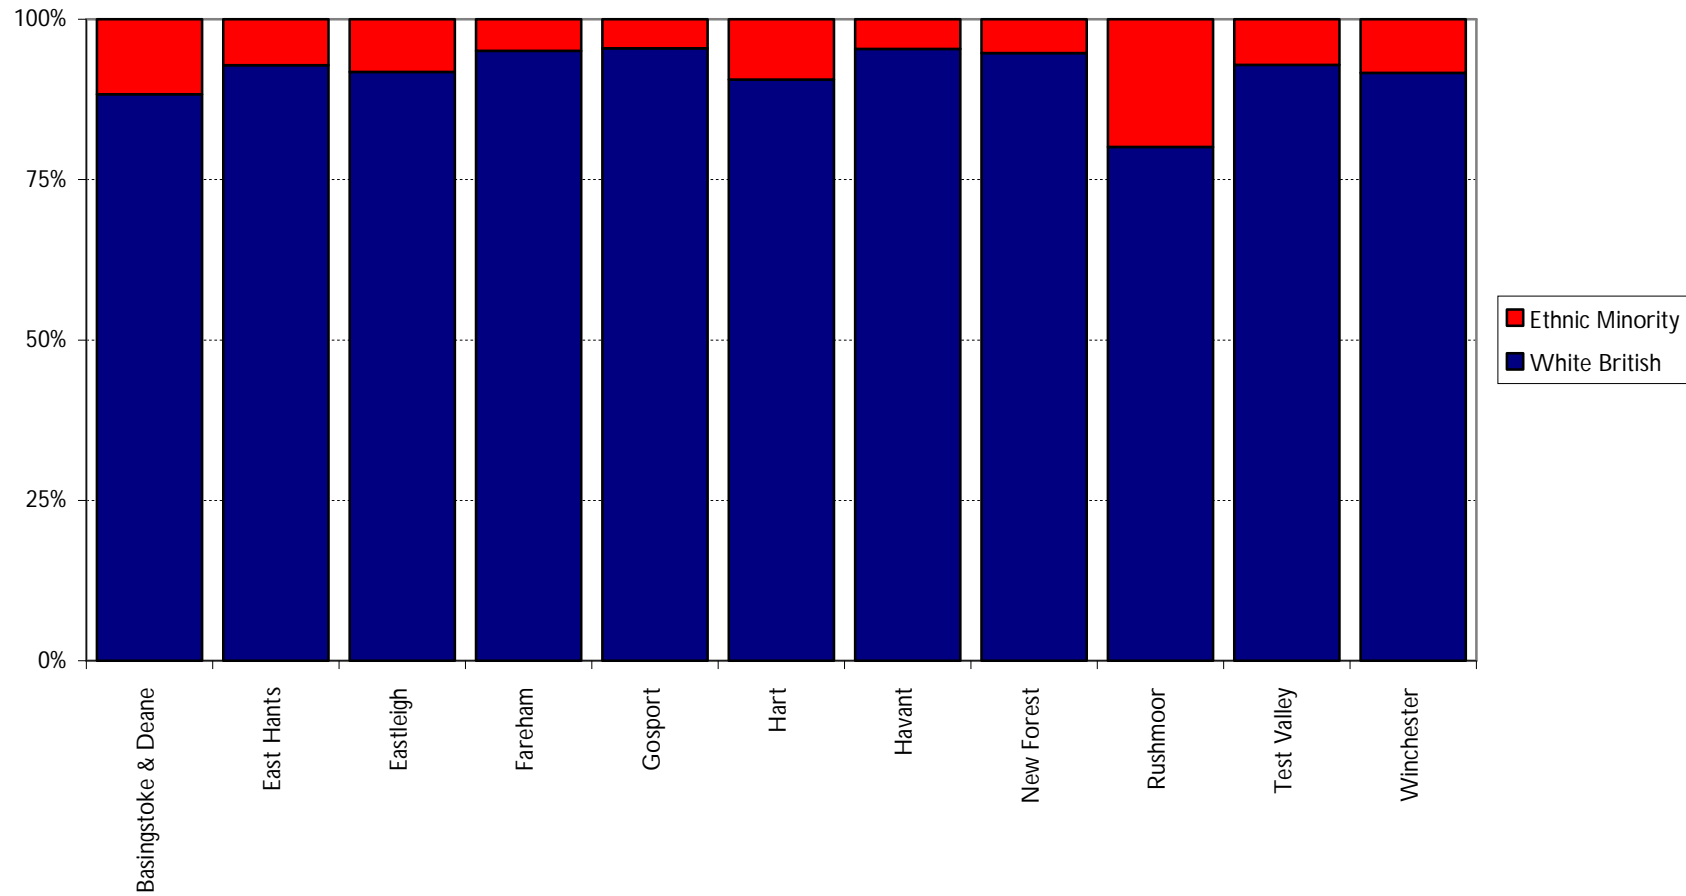

Ethnic minority C&YP from Gosport schools account for 3.5% of the overall total for the county.

There are currently 41 different languages spoken by C&YP within the district (43 last year).

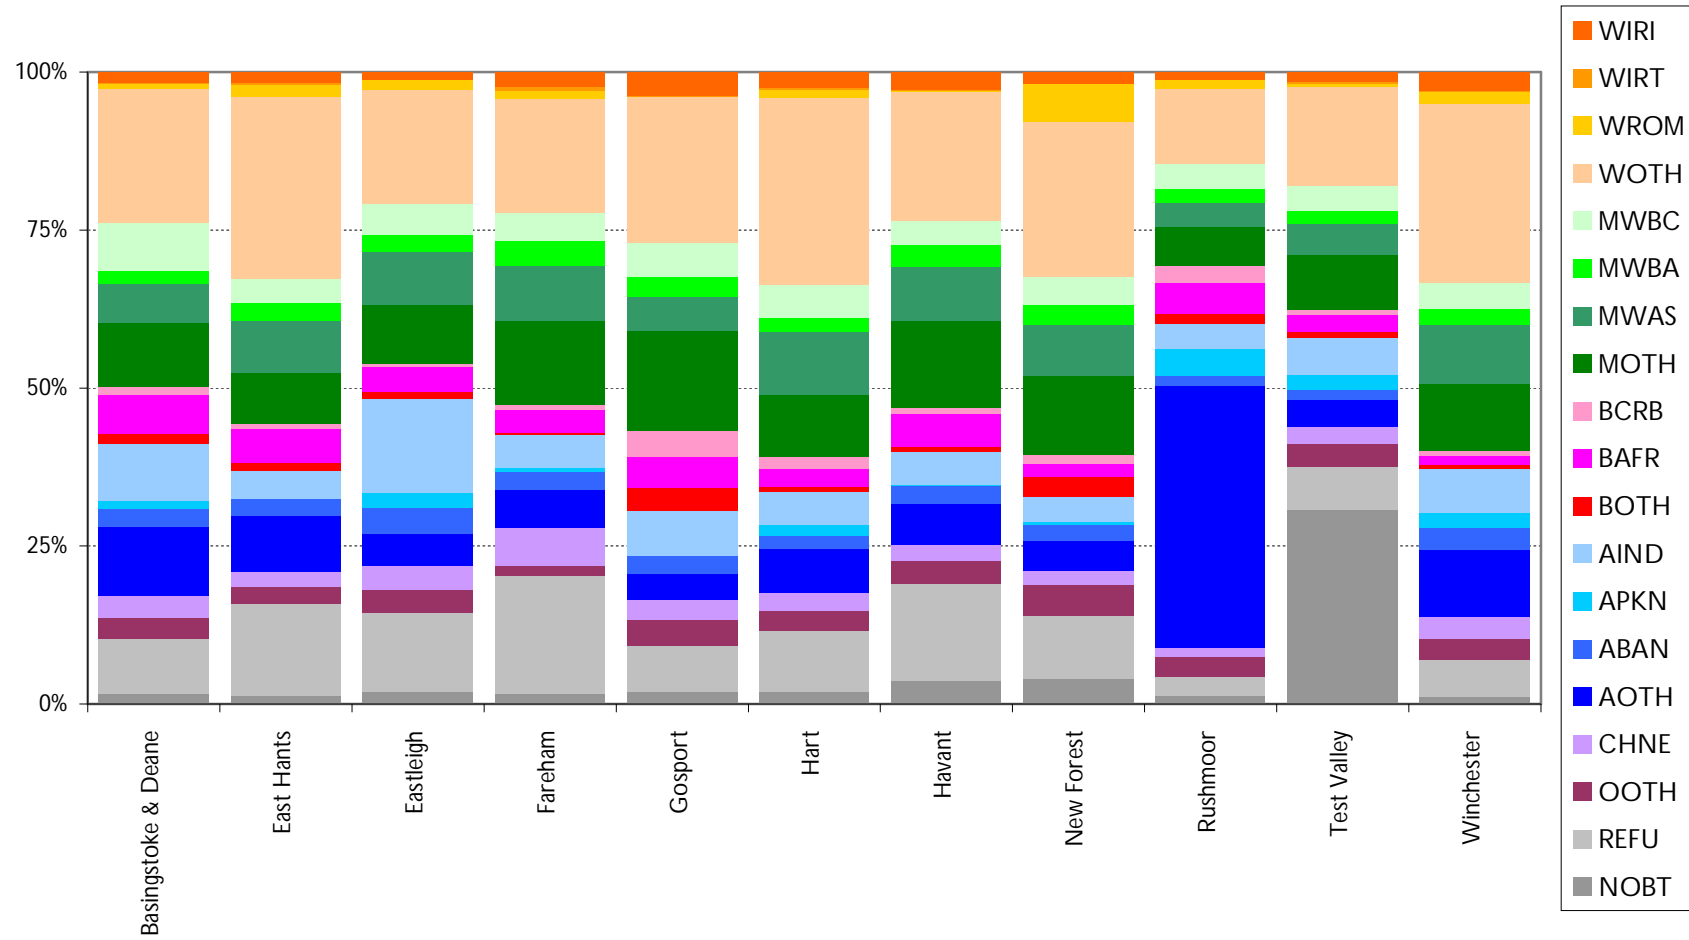

2.0% of the pupils have English as an additional language (1.9% last year).
