Enterprise without Borders

Building international entrepreneurial partnerships

www.ewb.ja-ye.org
“Creating more enterprising and entrepreneurial individuals and organizations is essential for our future economic and social well-being. The role of enterprise and entrepreneurship educators is therefore fundamental.”

European Commission
Enterprise without Borders (EwB) is designed to give Company Programme students the opportunity to create cross-border international partnerships as part of their JA-YE experience.

Through a website, teachers and schools can register for participation and students can upload their company profiles and enter an entrepreneurial ‘dating game’.
EwB Partnerships

- Joint-venture company
- Export-Import
- Coordinated product/service development – Outsourcing
- Exchange visits with entrepreneurial content
Why EwB?

- Develop and understand economic principles of international trade
- Understand how different rules and regulations affect your company
- Develop good, active teaching methods for the students
- Develop skills such as communication, analysing and decision making
- Develop an understanding for other cultures and intercultural competencies
