Bus Services and Frequencies in Hampshire

The Frequency Guide shows how often bus routes in Hampshire operate, excluding City services in Southampton and Portsmouth. Frequencies may of course vary throughout the route, and in this case, the route is shown in different sections. For instance, generally the daytime frequency is taken as being between 0900hrs and 1800hrs, whilst the evening frequency is taken as being between 1800hrs and 2200hrs. Information correct as at June 2011.

Red - Service with at least one bus every hour up to seven days a week daytime

Blue - Service with at least three buses per day operating up to seven days a week

Green - Irregular service operating up to six days a week

Orange - One bus per day or peak hour service or Sunday service

★ Summer only

Bus, Train and Ferry Travel Guide

Hampshire County Council

2011–2012 Bus, Rail and Ferry Map

Welcome to the latest edition of the Public Transport Map of Hampshire.

Services Included

Almost all public transport (local bus, rail and ferry services) in Hampshire appear in this guide. The density of routes in some areas of Hampshire means it is not possible to show local bus services in detail. City centre services in Portsmouth and Southampton are not included in the frequency guide or on the map. Please refer to separate publicity for this information. Not all services run daily, so for specific information check with the relevant operator before travelling. A list of all transport operators is included showing their telephone numbers and addresses. Long distance coach services, most works and school services are also omitted.

The map and services shown are correct as at June 2011. Bus services may change at short notice; therefore Hampshire County Council is unable to accept responsibility for any subsequent inaccuracies in this guide.

Suggestions and Complaints

If you have any suggestions or complaints about local transport please contact the relevant operator in the first instance. If this proves unsatisfactory, please write to:

Head of Passenger Transport

Plan des autobus, trains et ferries 2011/2012

Bienvenue à la dernière édition du Plan des transports en commun du Hampshire.

Services englobés

Presque tous les transports en commun (services d'autobus, ferroviaires et de ferries) dans le Hampshire apparaissent dans ce guide. Du fait de la densité des lignes dans certaines zones du Hampshire, il est impossible de montrer en détail les services d'autobus. Services pour les centres villes de Portsmouth et Southampton ne sont pas compris dans le guide de fréquences. Veuillez vous référer à d'autres publicités pour ces informations. Tous les services ne fonctionnent pas tous les jours et donc pour obtenir des informations spécifiques il vous faudra contacter l'opérateur approprié avant de voyager. Vous trouverez dans ce guide une liste de tous les opérateurs de transport avec leurs numéros de téléphone et leurs adresses. Les services d'autocars, les services professionnels et les services scolaires sont également omis.

Le plan et les services indiqués sont corrects à partir du Juin 2011. Les services d'autobus peuvent changer à la dernière minute. Le Conseil du comté de Hampshire décline donc toute responsabilité en cas d'inexactitude subséquente dans ce guide.

Verzeichnis der Bus, Bahn und Fährverbindungen für 2011/2012

Herzlich willkommen zur neuesten Ausgabe des öffentlichen Verkehrsverzeichnisses von Hampshire.

Im Verzeichnis enthaltene Verbindungen

Im diesem Verzeichnis sind so gut wie alle öffentlichen Verkehrsmittel Hampshires enthalten (Nahverkehrsbusse, Bahn und Fährlinien.) Wegen der Dichte des Verkehrsnetzes in einigen Gegenden Hampshires ist es nicht möglich, Linien der Nahverkehrsbusse detailliert darzustellen. Linien im Stadtzentrum Portsmouth und Southampton sind nicht im Fahrplan dargestellt. Für diese Information sollen Sie andere Reklame konsultieren. Da nicht alle Verbindungen täglich operieren, erkundigen Sie sich bitte vor Reiseantritt beim jeweiligen Veranstalter. Eine Liste aller Verkehrsbetriebe mit Telefonnummern und Adressen ist in diesem Verzeichnis enthalten. Fernbusse sowie Werkverkehr und Schulbetreib werden in diesem Verzeichnis nicht berücksichtigt.

Die auf der Karte und im Fahrplan dargestellten Verbindungen waren am Juni 2011 aktuell. Busverbindungen können sich kurzfristig ändern. Hampshire County Council schließt deshalb jegliche Verantwortung für später auftretende Ungenauigkeiten in diesem Verzeichnis aus.

Dial-a-Ride in Hampshire

Dial-a-Ride is a door to door transport service for anyone who finds it difficult or impossible to use ordinary bus services. Dial-a-Ride minibuses are specially adapted with handrails and low steps to help passengers. Each vehicle is equipped with a lift or ramp to assist wheelchair and walking frame users. You can use this service if you have a mobility or sensory impairment which means that you cannot use or have difficulty or discomfort in using bus services. For example, you might have difficulty climbing steps on to buses or be unable to walk to the bus stop. You do not have to be registered disabled.

Concessionary Fares

Residents of England who are of eligable age or who are disabled, are entitled to free off-peak bus travel anywhere in England. 'Off-peak' is any time between 9.30am and 11.00pm Monday to Friday and all day at weekends. To take advantage of this concession you need to obtain a travel pass from the local authority in the area where you live.

Hampshire County Council (excluding Portsmouth and Southampton) offers further benefits to its residents. The free travel concession is extended (for local residents only) to apply from 9.00am, but only for travel within your local area. Additional concessions are available for people with disabilities. These extra concessions are not available when travelling elsewhere in Hampshire orin England.

The national concessionary bus pass is free and is valid for up to five years at the discretion of the issuing council.
