

UK BAP Priority Habitats : Comments on status (as at 30th September 2010)

BAP Habitat	Comments on status
Grasslands	
Lowland Calcareous Grassland	Comprehensive.
Lowland Dry Acid Grassland	Comprehensive. Some overlap with Lowland Heath.
Lowland Meadows	Comprehensive. Some overlap with Coastal and Floodplain Grazing Marsh and with Wood-Pasture and Parkland.
Purple Moor Grass and Rush Pastures	Comprehensive. Some overlap with Coastal and Floodplain Grazing Marsh.
Heathlands	
Lowland Heathland	Comprehensive. Some overlap with Lowland Dry Acid Grassland.
Woodland, wood-pasture and parkland	
Lowland Beech and Yew Woodland	Further work is needed to distinguish from Lowland Mixed Deciduous Woodland and to identify areas within SSSIs.
Lowland Mixed Deciduous Woodland	Further work is needed as currently all semi-natural deciduous woodland (both ancient and non-ancient) has been included yet not all of it has been surveyed for the qualifying NVC types. Includes some Lowland Beech & Yew Woodland yet to be separated out.
Wet Woodland	In progress. Other areas exist that are yet to be surveyed for qualifying NVC types.
Wood-Pasture and Parkland	Further work is needed to classify the Wood-Pasture and Parkland within the New Forest SSSI (c4,960ha) and identify additional areas within historic parkland.
Arable, orchards and Hedgerows	
Arable Field Margins	No comprehensive information yet available.
Traditional Orchards	No comprehensive information yet available. Currently under review by PTES as part of an England-wide project.
Hedgerows	No comprehensive information yet available.
Open waters	
Ponds	No comprehensive information yet available.
Rivers	No comprehensive information yet available.
Wetlands	
Coastal and Floodplain Grazing Marsh	Further work is needed to identify all qualifying grazing marsh from survey data. Some overlap with Lowland Meadows and with Purple Moor Grass and Rush Pastures.
Lowland Fen	Comprehensive.
Reedbeds	Further work is needed to identify areas within SSSIs.
Coastal	
Coastal Saltmarsh	Comprehensive.
Coastal Sand Dunes	Comprehensive.
Coastal Vegetated Shingle	Comprehensive.
Intertidal Mudflats	Comprehensive. Does not include marinas but may include some sands & gravels.
Maritime Cliff and Slopes	Comprehensive.
