

# Changes to drug and alcohol treatment services

## Hampshire Operational Model for Effective Recovery (HOMER)

From 1 April 2011, drug and alcohol services in Hampshire will be changing. Solent Healthcare, in partnership with CRI, will be delivering an integrated drug and alcohol county-wide service.

The service will provide information and support for:

- adults and young people (who are over 18) in Hampshire experiencing problems with drugs or alcohol
- people who are concerned about their own, or somebody else's, drug or alcohol use.

Access to the service can either be through self-referral or through other referring agencies (such as GPs and pharmacies) via the telephone numbers given below.
