Notes:

For LTP-F11 and F12

1. All entries should be in cash terms (assuming 2.5% pa retail price inflation)
2. Enter all financial data in multiples of £1000, e.g. 500 = £500,000. DO NOT use commas or decimal places.
3. All expenditure entries should be for the funding sought from the local transport capital settlement only.
4. The threshold for major schemes is for the gross cost (not necessarily the local transport capital settlement contribution) and is usually £5m, but is less for some smaller authorities.
5. Maintenance schemes costing more than £5m should be reported as major schemes.

For LTP-F11

1. The sum of the maintenance block and integrated transport block expenditure (and not necessarily each block) rows should sum to the final planning guidelines for each year.
2. Funding profiles for primary route bridges and emergency works after 2007/08 are not needed (but can be included).

For LTP-F12

1. Only schemes for which support is sought during the 2007/08 to 2010/11 period should be included.
2. Schemes should be listed as either a major, exceptional or supplementary scheme, with their F2 code.
