Thanks very much for bringing this to our attention. Per our earlier discussion, I've already reviewed the plans on behalf of the group, and they've also been discussed with Shona Forsyth, the County Access Officer, at one of our recent meetings.

We are more than happy with the content of the plans from an access perspective, and as a School Governor myself, I hope the school is getting precisely what it clearly needs, and am pleased that it needs the extra space in the first place. I'm on the GB of a two-school federation with falling NOR (Number on Roll), so must admit to being a little jealous!

I don't know whether this is a personal thing on your part, or signs of a move towards better consultation with local groups for HCC as a whole, but in either case thanks AND could I ask that future emails go to the following address:

info@hadag.org.uk

This address is automatically forwarded and reaches our core trustee team, ensuring a response in the case of illness or holiday.

If you would like to find out more about our group, why not view our website at <http://www.hadag.org.uk> where you can also view our calendar of meetings and events. You are also welcome to attend any of our meetings if you have further developments in the area, we meet in public spaces, the Public Service Plaza and Waterlooville Library, as opposed to booking rooms, so that anyone can join us. It's one way that we take access seriously in making our meetings open to all.

Thanks again

With Kindest Regards / Mit freundlichen Grüßen / Très cordialement
