

Healthy walks around the New Forest

Walking is a good form of exercise. Healthy walks make it easier to exercise as part of your normal day. Regular brisk walks will increase your heart rate, making you warm and slightly out of breath. Start slowly, enjoy the fresh air, and gradually build up to the recommended 30 minutes a day.

The benefits of regular brisk walking include

- Reduces the risk of heart disease
- Keeps your heart strong
- Reduces or maintains your weight
- Reduces blood pressure
- Tones your muscles
- Relaxation and enjoyment

Ringwood

circular walk 1

Healthy walks around the New Forest

Distance: 2.5 km / 1.5 miles
Duration: 30 minutes
Condition: Good, mostly along pavements and quiet roads

Starting Point: Ringwood Health Centre

- 1 Leaving Ringwood Health Centre turn right, continue to the end of the road & use the pedestrian crossing taking you to Quomp; continue to the end of the road.
- 2 At the T-Junction turn left. Pass school & cemetery on left, cross road before the mini roundabout & turn right down steps. Follow path & bear right at all junctions until reaching two small greens, keep to the left side of these then bear right to the road.
- 3 Turn left passing Railway Hotel, take right into Christchurch Road. Pass fire station & Trinity Church on the right continuing to mini roundabout.
- 4 Turn right & use pedestrian crossing again to cross road; immediately turn left on path around the War Memorial Gardens. At Christchurch Road turn right, take next right into Southampton Road, right again into The Close & back to the Health Centre.

The Greyfriars Community Centre - Described as 'the showpiece among Ringwood houses' this late 18th century building has been home to the Ringwood & District Community Association since 1958.

Trinity Church dating from 1866 was designed by architect T H Hellyer. Now the United Reform Church, it was originally the Congregational Church.
