

How to have
your say in the
way your service
is provided

Hampshire
County Council

What is SURF?

SURF stands for **S**ervice **U**ser **R**eference **F**orum.
SURF brings together people who get Supporting People services to put forward their ideas about the way housing support services are delivered across Hampshire.

What does SURF do?

- Meet up regularly and speak with other service users
- Choose who provides support services
- Come up with ideas about how to make things better
