

Putting People First - Shaping your future, choosing your care

Commission of Inquiry into the future of services for adults in need of support and care

Session 2 – Partners and Funding

Discovery Centre, Winchester

12 June 2008

09.30 – 13:00

We would like to invite people to attend the morning hearing on the Commission as observers. Tickets must be booked in advance and as space is restricted we can only offer a limited amount of tickets. It is important that there is a balanced representation of interests from people attending the event. That is why we are asking you to give details of your position to help us make a fair selection of attendees.

Please note that you can only apply for one ticket per person. However, please state if you need to be accompanied by your personal assistant to be able to attend, so that we can allocate a ticket for them too.

There is very little parking in Winchester and we recommend that you try to use public transport where possible.

Please complete the questions below and return back to us at the following address:
