MAKING OUR MARK

Hampshire
County Council

UNITED KINGDOM YOUTH PARLIAMENT

DO YOU WANT TO HAVE A SAY IN HOW YOUR LOCAL AREA IS RUN?

Then join UKYP! It's a great way to get involved with your community and even the whole country. In Hampshire, 12 young people will have an opportunity to take part, six Members of Youth Parliament (MYPs) and six Deputies. UKYP is a chance for anyone to influence decisions that affect them. If you want to get involved, you'll need to go to one of the workshops detailed in the box below and fill in the form on the back. Good luck!

*"UKYP is great.
I have done
things I never
thought I would.
Met amazing
people, MPs
and Councillors
and had great
fun doing it!"*

Being a Member of Youth Parliament means you get to go to many different places, maybe even the Houses of Parliament. You go on residential as a group and this year we got to take part in a debate in the House of Commons!
For more information, go to www.ukyp.org
and www.ukyphampshire.org

All candidates must attend a briefing workshop in order to stand.
