

Use the internet to find out what's on in Hampshire, the UK or anywhere in the world. Also find out about travel, from maps and routes to transport services. And most importantly, find out what the weather is now and forecasts for when you plan to travel.

What's on

Hampshire is a great place to live, work and visit, with beautiful countryside, historic cities, picturesque rural villages, wonderful coastlines and a national park.

You can use the internet to find out 'what's on' in your local area (see over) or anywhere in the UK. Whether you want to plan a day visit to London or a weekend break in Scotland, our website will help you with lots of ideas.

Getting around the UK

There are many ways to travel around the UK, by road, rail, plane or sea.

Use the internet to plan your journey with a route planner. You can also check train (see over) and bus times and routes, as well as hire cars, taxis, vans or camper vans.

See our website (below) for information on public, school and community transport.

Travel abroad

The internet is a great place to plan and book all aspects of a holiday abroad. Whether you're looking for ideas or know exactly where you want to go.

Check out reviews of your chosen destination and hotel, see what the weather is like, buy travel insurance, book airport parking, check for visa and vaccinations and much more.

Find out what's on in Hampshire

Why not try finding an event in Hampshire. You can search all of the county or your local area:

1. Go to www.hants.gov.uk/events
2. Enter a search, date, location and/or category of event, for example 'countryside events' in 'New Forest & Christchurch' during the 'next 7 days'
3. Click **search events**.
You will then see a list of events to match your criteria.

Plan a train journey

You can use the internet to plan a train journey and check

1. Go to www.nationalrail.co.uk (see below *)
2. Enter where you would like to travel **from** and where you would like to go **to**
3. Select the **dates** you would like to travel and the **time** of travel
4. Click **SEARCH**.

You will then be given a selection of times you can travel, the duration of each journey and how many changes you will need to make.

You can also check train fares and availability of bookable seats.

Also, have your chosen journey sent to your mobile phone by using the **ALERT ME** function.

Holiday weather
