## Summary of Main Changes

There are major changes to buses in Winchester from 30th October 2011. Hampshire County Council has been reviewing the services for which it provides financial support and some reductions to rural, evening and Sunday services are being made. However Stagecoach will continue to run a number of the more popular services on Sundays on a commercial basis, even though these will no longer be subsidised. Some local services within Winchester have also been revised, so please check the number of the bus you usually use as this may have changed.

**Route 1: Stanmore – City Centre – Winnall – Tesco** will run up to every 15 minutes, Monday to Saturday daytime (hourly Sundays and public holidays) with journeys between 0930 and 1600 continuing to serve Winnall Tesco. Buses from Stanmore will run into the city centre via the railway station. Buses will no longer run after 2100 in the evenings. See pages 10-12.

**Route 2: Winchester – The Valley – Oliver's Battery – Sainsbury's**

**Route 6A: Winchester – Abbotts Barton**

These services will be provided by Black & White Motorways, to a revised timetable. See pages 12 & 25.

**Routes E1/E2: Winchester – Boyatt Wood – Eastleigh** will be reduced to run every hour, but all buses will serve Royal Hampshire County Hospital and Winchester Rail Station. Buses will no longer serve Badger Farm and therefore route number E3 will no longer be used. See page 16.

**Route 3: Harestock – City Centre** will run up to every 10 minutes between Harestock and the city centre, Monday to Saturday daytime, and hourly on Sundays and public holidays. Route 3 will replace the current route 1 and will continue to be run with low-floor, easy-access buses. Buses will no longer run after 2130 in the evenings. See pages 17-18.

# Summary of Main Changes continued...

**Route 4: Teg Down – City Centre – Highcliffe** will run hourly (Monday to Saturday daytime) replacing the current route 11, and providing a through service from Highcliffe to the railway station and hospital. Journeys from Highcliffe to Teg Down run via The Broadway and do not serve the bus station. On schooldays certain journeys will start from/continue to Owslebury for travel to and from Westgate School. See page 19.

**Route 5: Badger Farm – City Centre** will run up to every 10 minutes, Monday to Saturday daytime, and every 30 minutes on Sundays and public holidays. A new timetable will improve punctuality, and buses will continue to be low-floor and easy-access. Buses will no longer run after 2130 in the evenings and certain Sunday journeys will also be withdrawn. See pages 20-23.

**The Spring: Springvale – King's Worthy – City Centre.** Early morning journeys will be retimed to improve rail connections, and evening and Sunday journeys will run to a revised timetable. Journeys to Springvale run as route 86 on Friday and Saturday evenings will no longer be provided. See page 24.

**Route 7: Sparsholt – Harestock – City Centre.** There will be minor timetable changes to improve the peak service to and from Sparsholt College. The 1900 round trip from Winchester will no longer run. See page 25.

**Route 46: Winchester – Hursley – Valley Park – N. Baddesley – Southampton General Hospital.** This route will continue to be financially supported by Hampshire County Council route, replacing the current 46/46A/46B, and will run every 2 hours on Mondays to Fridays to maintain the link from Winchester and Valley Park to Southampton General Hospital. All buses will now run via Ladwell between Hursley and Hiltisbury for reduced journey times. Saturday journeys, and all journeys to Southampton city centre, Chilworth Balmoral Way and Nursling Upton Crescent, will no longer run. See page 28.

**Route 63: Owslebury – Shawford – Compton Street – Winchester.** One journey in each direction will run on Mondays to Fridays for shoppers travelling to/from the city centre. Badger Farm Sainsbury's and the hospital will still be served, but journeys to/from Winnall will no longer run. School journeys between Owslebury and Westgate School will be provided by route 4. See page 29.

**Route 64: Winchester – Alresford – Four Marks – Alton – Manor Estate** will now run up to every 30 minutes, Monday to Saturday daytime, with low-floor, easy-access buses throughout. There will also be a revised Sunday and public holiday timetable. All buses will run fast from Winchester via Morn Hill and A31, and then serve Alresford New Farm Rd and Jacklyns Lane before West Street. Hourly guaranteed connections at Alton to route 65 will continue, allowing through travel

to and from Guildford. Some journeys on route 64 will be extended in Alton to Manor Estate and Wooteys Way, replacing current routes 23/24. See pages 30-32.

**Route 66: Romsey – Harefield – Hursley – Winchester** will run hourly, Mondays to Saturdays, with low-floor, easy-access buses. See page 33.

**Route 67: Winchester – Itchen Abbas – Alresford – Cheriton – Bramdean – W & E Meon – Petersfield.** All journeys on route 67 will now run between Winchester and Alresford through the Itchen Valley (replacing route 64 via King's Worthy, Martyr Worthy, Itchen Abbas and Itchen Stoke). At Petersfield most journeys will start from/continue to Tesco as well as serving the railway station and Square. Buses to and from Petersfield and Perins Schools will continue to run. Buses will run up to every 2 hours on Mondays to Fridays and every 3 hours on Saturdays. See page 34.

**Route 68: Winchester – Crawley – King's Somborne – Stockbridge**

**Route 77: Stockbridge – Middle Wallop – Andover.** Following the funding review by Hampshire County Council, services 78 and X78 to and from Salisbury will no longer run, but a revised timetable is now provided on route 68 between Winchester and Stockbridge, with most buses continuing to Andover as service 77. See pages 35-36.

**Route 69: Winchester – Colden Common – Fair Oak – Bishop's Waltham – Wickham – Fareham.** A new timetable will run to improve punctuality on this route. All buses will run in a one-way loop from Fareham (Quay Street) via West Street (for railway station) and the Bus Station. Following the funding review by Hampshire County Council, Sunday and public holiday journeys will be withdrawn. See page 37.

**Route 79: Andover – The Clatfords – Chilbolton – Stockbridge – Broughton.**

Revised route and timetable with journeys extended to Houghton and Broughton. Most journeys connect at Stockbridge with route 68 for travel to and from Winchester. See page 38.

**Route 86: Winchester – Sutton Scotney – Whitchurch – Overton – Basingstoke.**

Friday and Saturday evening journeys after 2000 and journeys on Sundays will no longer be provided. See page 39.

# Travel Information for Older and Disabled People

## Voluntary Organisations providing Transport

A number of voluntary organisations operate throughout the city providing transport for individuals. Passengers will generally be asked to contribute towards the cost of this transport, although rates will vary between organisations.

Dial a Ride provides door to door transport for anyone who finds it difficult or impossible to use ordinary bus services. You do not have to be registered disabled or a wheelchair user to use Dial a Ride. For example you may have difficulty climbing steps onto buses, or be unable to walk to the bus stop.

You will need to register to use the service and phone to book your journey. Bookings are allocated on a first-come, first-served basis.

The minibus will collect you from your door at the arranged time and take you to your destination. The well-trained and friendly drivers will help you in and out of the minibus. Dial a Ride minibuses are specially adapted with handrails and low steps to help passengers. Each vehicle is equipped with a lift or ramp to assist wheelchair and walking frame users.

<b>Winchester Dial a Ride</b>
